Total*		110

Other Destinations Receiving Between \$35 and \$65 Million of California's Agricultural Exports in 1999*

**Australia
Belgium
China
France
India
Indonesia
Italy
Malaysia
Philippines
Singapore
Sweden
Switzerland**

* This table provides the approximate exports to each of the top destinations for the 33 California commodities with the largest total export values in 1999, and 8 additional commodities for which California accounts for over 85% of U.S. exports, or for which reliable export data was available. For each of the 9 commodities that are not included here, California accounts for less than 25% of U.S. exports, making it difficult to estimate export destinations with available data sources.

Major California Agricultural Exports to the European Union, 1999*

(Commodities with exports of more than \$2 million are listed in order of the value of shipments).

Almonds	1	352
Wine	2	256
